

*Danza Salon & Spa*

## Back to School Blues?

Not to worry, says the Bluebird. Even though your head is full of books, pens and rulers, CD Danza and Salon can make you look super and feel fantabulous. And from August 15th thru September 30, **teachers and students get a gift of \$20 off a partial foil and haircut\***. If someone asks how you found out about this great offer, just say a little birdie told you.
